Technology Subcommittee -CLOSING SESSION

Wednesday, May 23, 2001

EC Matrix Work Session (10-11)

Joyce Fox- Bedford/Compaq

- **eCommerce Survey Results were presented and discussed**
Very interactive discussion of survey results and personal experiences/knowledge. Reviewed Matrix content.

Technology Subcommittee -CLOSING SESSION

EC Matrix Work Session

•Next steps:

- Revisit accuracy of the *survey* results with Ogilvy, reinterpret as necessary and post results to the EIDX and CompTIA websites when accurate. Joyce work with P&E on posting.
- Send the *Matrix* out to previous and this week's session attendees for review/comment/update, then post to both sites.

• XML information on Matrix will be clickable, drill down to high

level description of the various XML's. Needs follow-up: Joyce/Stephenie

Stephenie will need content for the 'clicks'.

Technology Subcommittee-Closing Session

Thursday, May 24, 2001 (8-10)

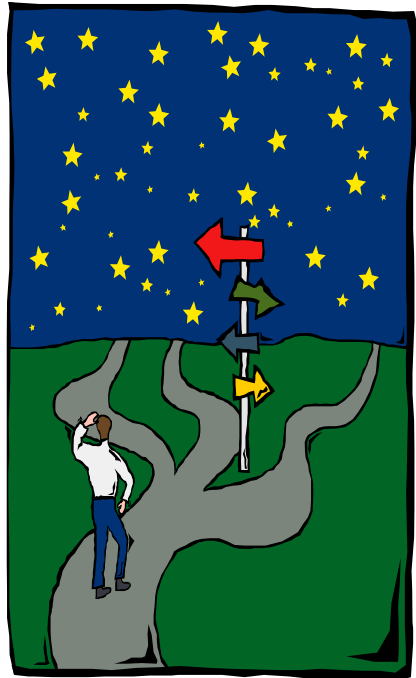

General Session Joint Subcommittee :

Business Processes

Technology

Guidelines & Standards

Promotion & Education

**The 5K (not really) Run...to the Summit!
(not really either)**

We moved a little slower than normal...

No rattle snakes encountered

**Steph was ready with her cell phone &
hotel telephone number (she is in room
911!)**

Lot's of cheating

**No major loss of breath...not with this
crowd**
