

# Business Process Subcommittee

August 2002  
San José, CA

# BPS Responsibilities

- ▶ BPS is responsible for the development of business process models that facilitate the development of industry wide eBusiness implementations.

## BPS Mission

- ▶ Model and document established business processes, scenarios and rules for conducting business between trading partners.
- ▶ Develop, model, document and participate in the piloting of dynamic business processes in conjunction with the Technology Subcommittee (TECH) and the Guidelines and Standards Subcommittee (GSS)

## BPS Mission

- ▶ Analyze emerging e-business processes and develop business models that have the flexibility to facilitate multiple process scenarios
- ▶ Work with the Education and Promotions Subcommittee (EDU) to promote dissemination of BPS work products and report results of pilot projects.

# EIDX BPS Officers and Liaison

- ▶ Chair:
  - ▶ Stephenie Cooper
- ▶ Vice-Chair:
  - ▶ Natalie Goncalves, Capistrano Group
  - ▶ Bill Wray, Tyco Electronics
